Wow – On the previous downloaded statement in the old diligence files there is a transaction:

Old: 08/28/19 Transfer ID:ST-T9L1Q6P2X2P9 = \$6.45

Current: 08/28/19 Transfer ID:ST-T9L1Q6P2X2P9 = \$999,999.99

Variance = \$999,999.99 - \$6.45 = \$999,993.54

The old Statement has an incorrect line item but the correct total...that is crazy!

I just re-pulled the statements from Aug through Feb for my own sanity.
